

What is PMI?

The Project Management Institute (PMI) is an international nonprofit organization, advancing project management excellence through professionalism.

With over 700,000 members worldwide, PMI has international recognition amongst project management communities and organizations.

Knowledge Sharing and Networking

- Communities of Practice (CoP) specific to industries
- Online communities and forums
- Discounts on project management materials

Competitive Edge Over Other PMs

- Gain access to PMI member-only online content
- Receive monthly publications with best practices, research and more
- Opportunity for leadership and volunteer positions

About our Chapter

The Puget Sound chapter has over 2700 professional members, making it one of the largest chapters worldwide. Members join knowing they will have a strong network of support in project management.

Vision

To be a forum for excellence in project management that will increase the awareness, effectiveness and value of professional project management for practitioners and organizations.

Mission Statement

To advance the profession of project management by creating a culture and community that facilitates professional growth through education and volunteerism by:

- Creating opportunities for development and learning in project management
- Providing programs and services to the Project Management community
- Promoting project management, certification, PMI, and project management professionalism to the community
- Maintaining a sustainable Puget Sound Chapter

Become a Volunteer

PMI thrives on volunteer efforts. There are many opportunities to get involved . You can choose to volunteer on a one time event, join a team in any area, or become an elected board member.

As a volunteer, receive these benefits:

- Network with colleagues and experts from various industries
- Gain Knowledge from the activities
- Build resume experience
- Earn additional PDUs (Professional Development Units) by volunteering

Learn how by emailing us at
Operations@pugetsoundpmi.org
